

#WALK4ALLREFUGEES **PARTICIPANT BIB**

Let's get moving! Print this page and cut along the dotted lines. Wear a t-shirt and position the bib across your abdomen. Poke holes through the circles in the corners with safety pins to ensure the bib is securely fastened. Wear it to let the world know that you stand with and Walk For All Refugees! Post your photos on social media using #Walk4AllRefugees and #TogetherInSolidarity, then tag us @refsolntwrk on Instagram so that we can share them!
